AMENDMENT

Box Non-Fee Amendment
Commissioner for Patents
Washington, DC 20231

Dear Sir:

In response to the Office Action dated September 25, 2002 (Paper No. 6), please amend the above-identified U.S. patent application as follows:

In the Claims

Suba
PD

8. (Amended) In a wireless communication transceiver, a method of controlling an operation clock for processing transmitted/received data, said method comprising the steps of:
detecting a strength of a receiving electric field; and
controlling a frequency of said operation clock based on said detected strength of said receiving electric field.
